

Progress report

Privacy statement

This report is only intended to capture anonymous data (i.e. no personal information which could be attributed to identifiable members of staff/personnel, including sensitive personal information, such as health-related issues). When completing the report, please take care not to include any such personal information. Please refer to our Wellcome Grants Privacy and Confidentiality Statement: <https://wellcome.ac.uk/funding/privacy-and-confidentiality-wellcome-grants>.

Outline progress and highlights from your award over the last year, including those supported by additional funding to your original award (for example, Research Enrichment Awards, Enhancement Awards or the Provision for Public Engagement). Let us know of any challenges, or delays, in meeting the objectives of your proposed activities caused by the COVID-19 pandemic, or for other reasons (for example, due to staff recruitment, procurement, research space provision, technical issues).

Clinical trials

Please see Wellcome's policy on clinical trials. This policy forms part of our grant conditions, and sets out the requirements for our grantholders before, during and after clinical trials. Please only report clinical trials that are directly funded by this award.

| | |
|---|--|
| Does your award include a clinical trial? | |
| Title of the trial | |
| Do you have ethical approval to undertake this trial? | |
| Is the trial registered with a clinical trials registry? | |
| Name of the register with which the trial is associated (Select) | |
| Trial registration number | |
| Have you included a data sharing plan in the registry entry? | |
| If no, explain why not. | |
| Has the trial started? | |
| Give date the trial started. | |
| Have you completed participant recruitment? | |
| Date recruitment was completed. | |
| Have you published the trial protocol? | |
| Provide citation/DOI. | |
| Have you published the statistical analysis plan? | |

Provide a citation and/or DOI.
